

SEW CREATIVE PARTIES

Sew Creative sewing parties are great fun for children aged 6+!

Your little ones can have fun, be creative, and learn a great new skill! And don't worry, the children do not need to have any prior sewing experience - and neither do you, as all help is provided, so you can sit back and relax while the kids have fun!

During all our 2 hour parties your child and their friends will be taught how to use the sewing machine safely, they will then make and customise their product with our party hosts.

All parties include:

- Exclusive use of the Sew Creative Studio
- Use of all equipment, materials and tools required
- A customised product to take home, made by each child attending
- A sewing machine driving licence for each child
- A party invitation for you to print at home

Party Options:

Custom Cushions

Your child and their friends will all make a sweet envelope cushion cover, each decorated with an animal of your child's choice, with a choice between puppies, llamas or bunnies! Each child will then make their own cushion, and will be able to customise it to their hearts content.

Drawstring Bag

Learn to sew and make a sweet drawstring bag, complete with a pocket. Each child will also have the opportunity to decorate their bag to make it their own.

Bespoke Parties

If you have a particular product in mind, then please get in touch as all ideas are considered. Prices available upon request.

Cost, Times and Numbers:

The cost of each party is £25pp. All parties require a minimum of 8 children, and a maximum of 15 (cost includes all materials and equipment required). We can accommodate up to 20 children, however each additional child after 15 will incur further charges, as we will have to employ additional party assistants.

Parties can be held on any day, providing there is availability. Each party is designed to last **2 hours**, inclusive of any time required for food or cake. If you would like to provide food and/or a cake, please let us know **prior to the party date**, as we will tailor the activities to be completed 10/15 minutes before the pick up time, to allow for food, cake and photos.

PLEASE NOTE:

A deposit is required for the minimum amount (£200) to secure the party date and time. We will then require the final number of children (and any additional payment) one week before the party date. We accept cash, card or bank transfer.
